Hi Erna,

Were you able to send Mr. Simon Anton his 4 movies per Denise?

Yes - I asked Erna to do it. Could you please follow up with her.

D-

Did you arrange to send Mr. Simon Anton the 4 movies he wanted? He called today -- unfortunately I've been so busy packing that I never revised your letter. I'll do that today but am I also sending him these movies? If so, do I go through Erna or is it like the way I order for the employees?

Cathy
